SACRED HEART PARISH MAHOBE

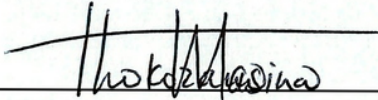

Centenary of First Baptism in the Mahobe Parish area

It has been discovered from the baptismal records that the first Baptism at Mfundweni/Ebisa – that time St. Anthony Church - Mahobe Parish area took place on 22nd January 1916. That was Anton Mbandlwa baptised by Fr. Robert Duenzenhoper. That Baptism of the 1st Believer started the continued evangelisation and life of the Catholic Church among the local people of today's Mahobe Parish. It became the motivation and encouragement for Faithful to celebrate our Catholic Faith that was brought to us more than 100 years ago.
